

## IUVA NASA Space Science Day

Dear student:

We would like to invite you to participate in a NASA Space Science Day.

Here are additional details regarding this event.

Dates: Monday, Feb 11<sup>th</sup>  
Location: Howard University  
Time: 9:00 a.m. – 2:00 pm

We are teaming up to inspire high school students and teachers to widen their knowledge in Science Technology Engineering and Math (STEM). On Monday, February 11<sup>th</sup>, 150 high school students are invited to participate in hands on learning about the NASA exploration, discoveries, and science.

This event is sponsored by the International Ultraviolet Association (IUVA) in coordination with the National Aeronautics and Space Administration (NASA). NASA scientists and science education specialists will lead various educational sessions each day. Volunteers are provided by SHPE-DC, SPHE-US PTO, and MAES-DC professional chapters to help coordinate the event.
