

NASA Space Science Day

PROGRAM INFORMATION AND REGISTRATION

January, 2013

Society of Hispanic Professional Engineers

Washington, D.C.

Phone: 202-997-4681

Website: www.shpe-dc.org

OVERVIEW

Attend the National Aeronautics and Space Agency (NASA) Space Science Day (NSSD) to learn about space exploration, meet NASA scientists, and perform space-related hands-on activities with them. This is a one-day educational outreach event for pre-college students and teachers. It is sponsored by the International Ultraviolet Association (IUVA) in collaboration with the NASA Science Mission Directorate (SMD), professional chapters from the Society of Hispanic Professional Engineers (SHPE), MAES and other local professional associations. The goals of this event are to:

1. Expose pre-college students and teachers to space exploration
2. Engage pre-college students and teachers and inspire them to pursue STEM careers
3. Broaden STEM education received by pre-college students at school
4. Provide leadership and mentoring opportunities for professionals and university students in STEM careers
5. Strengthen NASA's and the nation's future workforce

VENUE INFORMATION

Howard University

Student Workshop, Monday, February 11, 2013, 9:00 a.m. – 2:00 p.m.

Teacher Workshop, Saturday, February 9, 2013, 9:00 a.m. – 4:30 p.m.

SUPERVISOR INFORMATION

There must be at least one Supervisor, who is 21 years of age or older, to accompany each group of 15 students. The Supervisor may be a teacher, counselor, administrator, or designated guardian.

REGISTRATION FEES & DEADLINES

There is no registration fee. To pre-register each school must designate a Coordinator, submit a written statement providing the name and contact information for the Coordinator and state intent to submit registration forms and arrange transportation for students. The Coordinator for each school must be a teacher, counselor or administrator who is at least 21 years of age.

The deadline to submit all registration and signed release forms for each student is **5 p.m. ET, January 25th 2013.**

TRANSPORTATION

Schools must arrange transportation for students and Supervisors to and from the event. Arlington Public Schools will be providing the transportation to the schools in Arlington. Contact **Georganna Schell** at georganna.schell@apsva.us

ADA ACCOMODATIONS

If students require special accommodations for wheelchair access, or impaired hearing or vision, please indicate as such on the registration form and contact the IUVA office.

REGISTRATION

No students may attend without a Supervisor who 21 years of age or older. This event is limited to 25 high school students from each local high school that is invited. Our goal is to include broad participation from various local high schools. We recommend that you maintain a waiting list if you have more than 25 students interested in attending from your school. We will do our best to accommodate more students from each high school if space is available.

Each school must assign a Coordinator who will be responsible for collecting all the information required to register all participants from his/her school. The Coordinator must ensure that the school responds and submits all requested forms by the registration deadline. Each Coordinator is responsible for collecting other required documents from students, and teachers who are interested in attending this event. In addition, the Coordinator must ensure that the school has the right number of Supervisors registered.

Each school is encouraged to submit all registration forms as early as possible. Registration is first-come, first-served. No reservations will be accepted.

All students must complete and submit the following forms:

- **NSSD Registration Form**
- **Photograph Release and Consent Form** – Complete and sign one form per student
- **Liability Release, Parent Permission and Emergency Contact Form** – Complete and sign one form per student
- **Student Survey Form** (Completed at event) – Complete and submit one form per student
